EBENSBURG MAIN STREET PROGRAM DEBUTS BUSINESS DIRECTORY

Ebensburg – The Ebensburg Main Street Partnership is proud to announce the completion of the first-ever Ebensburg Business Directory. The full color brochure lists businesses who are members of the Main Street program, along with their contact information.

“This is something that we have wanted to produce for a long time,” said Christine Strugala, Community Development Director. “It will assist us in our marketing and promotion efforts.”

Over 170 businesses are listed in the directory. In addition, a map of the borough is located on the inside.

The Ebensburg Area Business Commission oversees the Main Street program. The commission focuses their efforts on improving the economic vitality of Ebensburg's business community. They assist with the development of programs designed to recruit new businesses, retain those established, and encourage reinvestment within the commercial district. They are also responsible for oversight of the Ebensburg Main Street Partnership and coordinating many of Ebensburg's special events.
